

Balloon Rocket Challenge

YOUR TASK

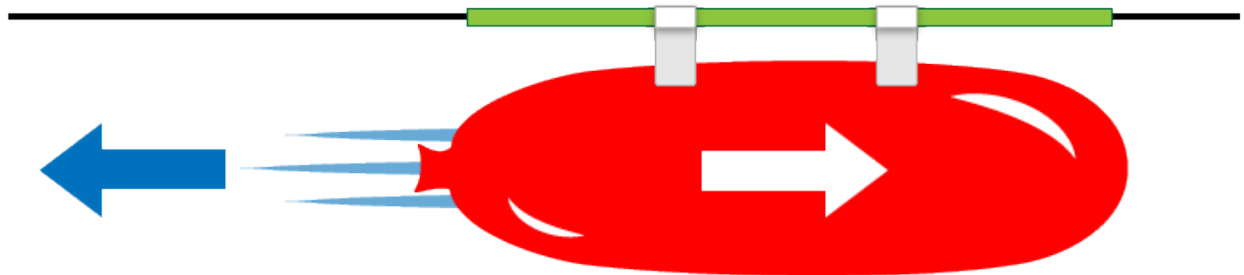

Use the equipment to make a **ROCKET BALLOON**
Your rocket should travel *as far as possible* along the string.

EQUIPMENT

- ▶ rocket testing facility (string)
- ▶ 1 balloon
- ▶ 1 drinking straw
- ▶ tape
- ▶ scissors

RULES

1. Use the equipment to make a balloon rocket like the one below.
Test your rocket on your **ROCKET TESTING FACILITY**

2. Now you can add other bits, in anyway you want, to make your rocket go further. (eg paper, cardboard etc)

JUDGING

The winner is the rocket that travels *the furthest* (however quickly or slowly).
